Sorority Embarks New Work Plans

At a joint meeting of the Beta Omicron and Xi Pi Chapters of the Beta Sigma Phi Sorority at the home of Mrs. I. Marshall Lair with Mrs. Jess M. Elliott, president of Beta Omicron, presiding, Mrs. Clyde Griffies reported the sorority has started its project of testing the hearing of elementary school children, third through sixth grades, in the Glades area. Audiometer tests were given during the past week to members of the faculty and 74 pupils at the Canal Point School of which four children were found to have impaired hearing. Audiometer tests under the direction of sorority members will start Tuesday, Feb. 24, at the Pahokee School where the hearing of 240 pupils will be tested, she said.

It was announced the sorority sponsored a Valentine party for the pupils at the School for Exceptional Children in the Pahokee White Migratory Labor Camp, with Mrs. Norman Kennedy, Mrs. Max Beverly and Mrs. Edward A. Jensen on the committee in charge of arrangements.

Mrs. George L. King, Jr., tendered her resignation as sponsor of the Beta Omicron Chapter, stating that she is moving with her husband to Columbus, Ga.

Mrs. J. T. Boynton, program chairman, introduced Mrs. Lambert A. Guy who spoke on "Children in the Changing World."

Red Cross Plans Discussed At Meet

A preliminary meeting of local officials to be in charge of the American Red Cross fund raising campaign in the Pahokee area was held at the Pahokee First Baptist Church to discuss tentative plans.

Presiding at the meeting was the Rev. W. Hal Hunter, local campaign chairman. It was announced that serving as division chairman in this year's drive will be Claude L. Shirley, industrial; Dick Parrish, business; Ralph O. Johnson, professional; Mrs. Jane L. Rieker and Mrs. A. M. Okie, residential; O. B. McClure, Negro section.

Cattlemen Plan Officer Election

The Palm Beach Cattlemen's Association will hold a business meeting next Tuesday, March 5, at 7 p. m. at Indian Trail Ranch near Loxahatchee. An election of officers is one of the main items on the agenda.

J. R. Henderson of the Extension Service in Gainesville will give a short talk on "Feeds and Forages." A film on control of insects and external parasites on cattle will be shown. Another short film for entertainment purposes is also scheduled.

The meeting will get underway sharply at 7 p. m. with a barbecue dinner. Tickets for the dinner will be available at \$1.25 each.

Hopes Drive Can Be Ended In Two Weeks

E. H. Cochrane, West Palm Beach, fund drive chairman for Palm Beach County with a quota of \$99,135 to be met in the National Red Cross drive opening March 1 has expressed the hope that although the drive will continue through March, the goal may be achieved within a two-weeks period.

With a stepped-up Blood Bank program to aid the armed forces and drain on Red Cross funds in meeting the immediate needs of disaster victims in flood both here and abroad, the need to "answering the call" at this time is imperative. Mr. Cochrane has advised.

March 28 New Date For Pool Opening

Mayor Lewis Friend at a meeting of the Pahokee City Council Monday night reported Pahokee's proposed breakwater for the protection of the municipal pier will be one of the top items to be considered by the Palm Beach Port of Authority at its June budget meeting, according to word received by Mayor Friend from L. R. Bishop, PEPA secretary. Mayor Friend urged that final plans for the breakwater be drawn as soon as possible.

The Council again named Leeland Keen, Pahokee Junior High coach and athletic director, as manager of the municipal swimming pool through the coming season. It was decided to open the pool earlier than usual on March 28 this spring in order that it will be available for the training of a Pahokee High School swimming team.

Councilman J. H. Wilkinson, Jr., was asked to investigate the failure of a street lighting cable on Lake Avenue in the downtown section and recommend at the next meeting what steps the city should take to correct this failure.

It was voted that the city co-operate with the Florida Highway Patrol in the removal and disposition of cars found abandoned on the right-of-way of State highways within the city limits. It was also voted to return to the Southern Belle Telephone Company utility taxes monies collected by the city through error from telephone users living in suburbs outside the city limits, the company to reimburse its subscribers to the amount of the error.

City Clerk Dorothy Graham was instructed to advertise for bids for a city auditing contract if the auditing of the city books is not already under contract.

It was announced the Council will hold a special meeting Friday, Feb. 27, at 8 p. m., when a contract for the construction of a new waterworks sedimentation tank will be awarded.

NEW CHURCH SECRETARY

Mrs. Wilma McClellan has been appointed new secretary for the Pahokee First Methodist Church, replacing Mrs. Bill Justice, who recently resigned. Mrs. McClellan's regular office hours at the church are from 9 a. m. to 12 noon daily, Mondays through Fridays.

Work On Bridges Start At Once, Says State Read Chrnn.

At last it begins to look as if work will start on the new bridges at Canal Point and Six Mile Bend. A letter from the chairman of the State Road Department to the Board of County Commissioners of Palm Beach County says as much. Cleary Brothers Construction Company of West Palm Beach was low bidder on the two bridges and the following letter from Tallahassee is self-explanatory:

Board of County
Commissioners,
Palm Beach County,
West Palm Beach, Fla.,
Gentlemen:

"You will be interested to know that we are in negotiation now with the contractor who was low bidder on these bridges. We are suggesting to him that it will be alright with us if he would like to go ahead and start construction with the understanding that he would be paid when the Road Department has funds.

RICHARD H. SIMPSON,
Chairman,
State Road Department.

Officials of the Cleary Brothers Construction Company concern told officials of the Road Department weeks ago that they would be happy to build the bridges and wait until the department had the money to pay. For this very generous offer people in the Everglades will join this newspaper in extending grateful appreciation to the Cleary concern. They deserve the praise of folks in the Lake Okeechobee farming region who have waited too long for the bridges to be built.

Pahokee Fair Will Open March 2nd

The Pahokee Fair will open on schedule Monday, Mar. 2, at the American Legion grounds on Canal Point Road, according to plans announced Monday night at a meeting of Fred and Percy Mansfield Post 90, sponsor of the Fair.

The Fair will continue daily for one week, ending Saturday night, Mar. 7. In addition to the Legion Hall, three large tents will be erected for the display of exhibits and there will be a carnival midway on the grounds. J. W. Guthrie, who is in charge of industrial exhibits, reported all space available for this purpose has been reserved.

The Legionnaires also completed plans at the meeting for the benefit square dance which they will sponsor in the Legion Hall Saturday night, Feb. 28, with all proceeds, including the fees of the Culberson music makers from West Palm Beach, to go into the Palm Beach County Tuberculosis and Health Fund.

"Smilin' Through" Is Senior Play

The Pahokee High School Senior Class has selected for its class play "Smilin' Through," a three-act romantic comedy by Allan Langdon Martin, to be presented in the high school auditorium on the nights of April 16 and 17, curtain time, 8:15.

This is the comedy of wistful sweetness and lively action that brought world renown to Jane Cowl as an actress. Rehearsals will start as soon as the assigning of parts is completed, according to Mrs. Herbert Miller, director.

Will Choose Miss Rainbow In Contest

The Pahokee Assembly, Order of Rainbow for Girls, at a meeting in the Masonic Hall Monday night completed plans for a contest to name a "Miss Rainbow of Pahokee for 1953." Each member of the Assembly is a candidate for the honorary title which will be won by popular vote at a penny a vote, proceeds to go into the expense fund the Rainbow Girls are raising to attend the meeting of the Grand Assembly in Tampa June 11-14, according to Mrs. Florence Keen, mother advisor for the group.

It was announced that at the next meeting Judy Shackford and Martha Gail Ammons will be received into the Order, with Patsy Maurer, worthy advisor, to be in charge of the initiation ceremony.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Charlton Heston, popular Hollywood leading man, is a cautious man. (Must be a 'wee bit SCOOCH') Although he has just finished his sixth starring role, with Susan Hayward in "The President's Lady," he still maintains a \$30-a-month, walk-up, two-room, cold-water flat in New York's Hell's Kitchen section. Heston and his wife, actress Lydia Clarke, have occupied the same flat, when in New York, ever since they were married eight years ago. Since coming to Hollywood Heston has crossed the continent 40 times by plane, so the flat comes in mighty handy when he is east doing television, radio and stock company work. "It's still home to us," Heston explained to a questioner who wanted to know why he still maintains a tenement flat when he earns a four-figure salary as a film star. The only thing that's changed is that now and then some of the neighborhood kids come by with their classmates who don't believe the actor who worked in that DeMille circus picture really lives there. "Their guides just say: 'see, we told you it was him,' and then they go away satisfied. Besides the flat serves as a reminder of the days when we had only six dollars a week for food and keeps us from throwing money around just to make a show of swank." See you at the movies —Mal.

McCarty Tells Citrus Growers They Should Unite In Efforts

WINTER HAVEN—Urging the citrus growers of Florida to get together and come to Tallahassee united on any plan for new legislation or assistance, Governor Dan McCarty, himself a citrus grower, declared he was anxious to aid the industry in gaining stability.

He spoke at a "Governor's Day" luncheon while a guest of the Florida Citrus Exposition.

The Governor congratulated Winter Haven and surrounding area for its enterprise in providing attractions for tourists and he specifically mentioned Bok Tower, Cypress Gardens, Tom Moore and his network "Ladies Fair" program.

Prior to attending the Exposition, the Governor witnessed the Passion Play at Lake Wales and pronounced it as the "greatest thing he had ever seen."

Rotarians Hear Future Farmers

Officers of the Pahokee Chapter, Future Farmers of America, presented the program at the Thursday luncheon meeting of the Pahokee Rotary Club. Introduced by Richard L. Brooks, chapter advisor, were Eugene Buchanan, chapter president, and James Usher, Darryl Davis, Tommy Elliott, O. G. Ryals and Roy Spooner, who gave brief talks on FFA activities at Pahokee High School. Robert O. Lampi was in charge of the program.

President Elmer Jones named T. W. Knight, C. L. Shirley, J. V. Thomas, V. L. Geiger and O. R. Bleech on a committee to nominate new officers and report their recommendations at the next meeting.

Plans were made to attend the rural-urban, intra-county meeting sponsored by the West Palm Beach Rotary Club at the Indian Trail Ranch near Loxahatchee Mar. 3. Pahokee and Belle Glade Rotarians and their guests have been invited to attend the meeting and barbecue at noon. R. A. Carlton, agriculture agent for the Seaboard Airline Railroad, will be guest speaker. The regular meeting of the Pahokee Club for that week, scheduled for Mar. 5, will not be held.

Spivey - Sims

Mr. and Mrs. A. J. Spivey, former Pahokee residents now living in Indiantown, announce the approaching marriage of their daughter, Miss Imogene Spivey, to James C. Sims, son of Mr. and Mrs. B. C. Sims of Canal Point.

The wedding will take place at 8 o'clock Saturday, Mar. 14, in the First Baptist Church at Pahokee and will be followed by a reception in the Woman's Club building. No formal invitations are being issued but all friends are invited to attend both the wedding and the reception.

The bride-elect is a graduate of Pahokee High School and at present employed by the J. J. Cater Furniture Company of West Palm Beach.

Mr. Sims was also graduated from Pahokee High School and attended the University of Florida, Gainesville; Chipola Junior College, Marianna, Fla., and State Teachers College, Livingston, Ala. He is now employed by the Independent Life and Accident Insurance Company.

They plan to make their home in Canal Point.

Relief Boxes Are Filled By Juniors

The Pahokee Junior Red Cross conducted a meeting at the school Wednesday with Geraldine Upthegrove presiding. It was reported that Pahokee Elementary School children had filled 31 overseas relief boxes and the high school students had filled nine overseas boxes in JRC work.

Delegates named to attend the meeting of the Palm Beach County Junior Red Cross Council in South Bay Thursday were Brenda Carter, Joey Alderman, Ronald Graydon, Adrian Galbaldon, Catherine Spencer, Kathy Wilson and Geraldine Upthegrove.

TO SEE PASSION PLAY

A group of approximately 50 young people and adults of the Pahokee First Methodist Church plan to attend the famous Black Hills Passion Play at Lake Wales Sunday. The group will leave early in the afternoon in order to visit Bok Tower before the play starts in the evening. Mrs. B. Elliott, counselor for the Senior Methodist Youth Fellowship group, is in charge of reservations.

Quarterly Meeting Held By Methodists

Members of the Pahokee First Methodist Church conducted a special quarterly conference at the church Thursday night of last week at which time plans for the proposed new church building were discussed.

Named on the building committee were Max Beverly, chairman; Dr. Rembert A. Guy, L. L. Caley, A. Jack Spencer, Clyde A. Canipe, I. Marshall Lair and Mrs. H. M. McIntosh. The new committee was authorized to have plans and specifications drawn up for the new church building.

The group voted to accept as a gift the 65 by 200-foot lot adjoining the church grounds on the west which was purchased from L. I. Maloy by church members and presented to the church free from encumbrances.

It was also voted to cooperate with other religious groups in the community in the taking of a religious census, with Mrs. Arch Blakley appointed to represent the First Methodist Church in this work.

WSCS Membership Is Set At 378,558

JACKSON, Miss.—The Methodist Woman's Society of Christian Service has a membership of 378,558 in 8,061 churches in the Southeast. Mrs. R. M. Howell of Birmingham, Ala., secretary, reported Tuesday. Mrs. Howell filed her report as the annual Southeastern meeting of the WSCS opened at St. Luke's Methodist Church here. Approximately 250 delegates from nine states and Cuba are attending.

This means more money to you!

NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile.... And remember—the interest rate on Series E Bonds has been increased to 3% compounded semiannually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save before you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Christian Science Group Of Canal Point

Theme of services next Sunday in Christian Science churches is the healing and redemptive work of the great Wayshower. "CHRIST JESUS" is the subject of the Lesson-Sermon.

A verse from John (3:17) provides the Golden Text: "God sent not his Son into the world to condemn the world; but that the world through him might be saved."

Included in Bible selections is the account of Jesus healing the man ill for thirty-eight years: "Jesus saith unto him, Rise, take up thy bed, and walk. And immediately the man was made whole . . ." (John 5: 8-9).

Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The humble Nazarene overthrow the supposition that sin, sickness, and death have power. He proved them powerless. Divine Truth, Life, and Love gave Jesus authority over sin, sickness, and death" p. 228.

From where I sit ... by Joe Marsh

Wrong "Train" of Thought

Most of us knew the streamer stopped about four miles from town last Thursday — but we didn't know *why*...

Seems the train was hurrying along, then came the screeching of brakes — some fellow had pulled the Emergency Stop cord.

When the conductor asked him why he did it, he said, "The train was just going too fast—I wanted to get you to slow down."

From where I sit, that streamer has been going at that speed for the past seven years with a perfect safety record and

the passengers have always been pleased. Now—along comes a fellow who wants the train to go at his speed. Some people are like that. Some still would begrudge another person's right to a temperate glass of beer even though that person wouldn't dream of flashing a "Stop" sign on their preference for, say, milk, coffee or tea. Respecting the rights of others is the only way we can keep "on the right track."

Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Saturday Closing Up To Legislators

Arrangements for court house facilities to be used for a county legislative clinic to discuss proposed local legislation with the county delegation, were completed this week by the county commission.

Elliott of Pahokee and John Bollinger, West Palm Beach, will meet with various organizations and municipal authorities to confer on proposed bills to be presented to the state legislature this spring.

The board also authorized Chairman Lake Lytal to speak for the commission at the meeting on county problems.

Lytal said that much of the legislation which the county board has an interest is being considered on a state wide basis and any bills sponsored locally will probably be drawn after the meeting of the State Association of County Com-
